March 24, 2020

Lake Forest resident,

Around City Hall, we talk about the “new normal,” since coronavirus outbreak and Governor’s “stay home” order. Our goal is to make sure we continue to meet the community’s needs.

Yes, City buildings are closed to the public, but staff continues to serve the public daily. Uninterrupted services during this time include:

- Building Inspections
- Code enforcement
- Fulfilling online public records requests
- Parking enforcement
- Park inspections and maintenance
- Street Inspections and Repairs
- Street sweeping
- Trash collection

Many services are available online, starting at www.lakeforestca.gov. You can reach City staff during regular business hours by calling (949) 461-3400. We’re also continuing to monitor and respond to questions and calls for service on our Ask Lake Forest system at www.lakeforestca.gov/asklakeforest.

Our Community Services Department launched an innovative Virtual Recreation Center with an online art show, virtual tours of museums and aquariums and even online classes. You can find that at www.lakeforestca.gov/VirtualRecCenter.

Lake Forest, Remember the Past ~ Challenge the Future

Lake Forest City Hall
100 Civic Center Drive
Lake Forest, CA 92630
General: (949) 461-3400
Fax: (949) 461-3511

The City has also instituted several ways to ensure you get the latest information about the coronavirus outbreak and its impacts throughout Orange County. The webpage www.lakeforestca.gov/coronavirus has links to County and State resources as well as local information, such as resources for businesses and what restaurants remain open. We also have a recorded hotline that is updated daily at (949) 461-3536, and residents can text LAKEFOREST to 888777 to receive the most important updates via text or email.

City Council members hold daily conference calls with City leadership to ensure we are doing our best to protect employees and serve residents. Our goal is simple: to serve our community.

Thank you,

Neeki Moatizedi
Mayor, Lake Forest
