FIELD RESERVATION GUIDELINES FOR
User Group: _____
Facility: Lake Forest Sports Park Synthetic Turf - Half Field

In accordance with state and federal guidance the City has implemented the following guidelines while using a City facility. The guidelines noted below are designed to limit the spread of COVID-19. We urge you and all members of the public to comply with the following guidelines:

- 1. Hand Sanitizing and Hand Washing.** Before and after visiting the City Facility, encourage all visitors to maintain good hand hygiene, washing hands with soap and water for at least 20 seconds, or use hand sanitizer whenever soap and water are not readily available.
- 2. Face Coverings.** A face covering is not required but strongly recommended for Lake Forest Staff, parents and other visitors while using a City Facility or in the vicinity of others. Even with the face coverings, maintain proper social distancing and engage in frequent handwashing or sanitizing.
- 3. Physical and Social Distancing.** Please note: the maximum room capacity for one half of a Lake Forest Sports Park Synthetic Turf Field is 12. Ensure physical distancing of a minimum of six feet is maintained between the general public and players. Members of the same household may be seated together but should maintain at least six feet of distance from other households.
- 4. Cleaning and Disinfecting.** It is a requirement of each User Group to provide sufficient supplies to clean and sanitize at the end of each event. Sanitizing shall include commonly used items such as balls, cones, sports equipment, etc. Clean and disinfect frequently touched surfaces and shared objects in between uses. Avoid use of items that are not easily cleaned, sanitized, or disinfected.
- 5. Minimize Community Sharing.** Consider temporarily limiting the sharing of frequently touched objects. Food is not permitted near the synthetic turf fields. Water is the ONLY beverage allowed on the fields and should NOT be shared.
- 6. Temperature Check.** Upon reaching the Sports Park, your organization's athletes will need to have their temperature taken by the individual team's coach. Anyone with a temperature of 100.3 degrees or more must be sent home.

The City reserves the right to modify these guidelines as circumstances warrant.
