**Subject:** Remaining Project Schedules (El Toro Rehab Phase 1-3, Bake Rehab, Lakforest/Rockfield Median)

Mark,

Per our meeting today, sending an email to memorialize our scheduling intentions for the remaining projects. Our focus through the end of this year will be pushing through the Jeronimo/El Toro Median package which, based on the latest schedule review today, is anticipated to be done by the end of 2022. Following the completion of that package, I plan to initiate the 2<sup>nd</sup> submittal design updates for the remaining packages with the following being the general design update timeline:

- Prepare 2<sup>nd</sup> Submittal Updates: January, 2023
- City Review 2<sup>nd</sup> Submittal: February, 2023
- Prepare Final Submittal: March, 2023
- City Review & Final Bid Package for Shelf Ready: April 2023

Please let me know if you have any questions or comments on this and I'll look forward to continuing to push forward on these designs.

Thanks!
